## WHOLESALE SEED PRICES

PRICES SUBJECT TO CHANGE ACCORDING TO MARKET CONDITIONS

JANUARY, 1937

The D. Landreth Seed Company gives no warranty, express or implied, as to description, quality, productiveness, or any other matter of any seeds, bulbs or plants it sells and will not be responsible for the crop. All sales subject to loss or damage by fire or other contingencies beyond our control.

### MERCHANTS

are asked to **MAIL** their Orders to the **D. LANDRETH SEED COMPANY**, and are assured all orders received by mail will be given our best attention. It is through the orders our customers send us and through the confidence extended to us that the **Landreth Seed Business** flourishes and has acquired an enviable reputation.

### TERMS OF SALE

Where credit has been established our terms are 60 days from date of shipment, or 2 per cent off if paid in 10 days, except net cash goods, such as all Farm Seeds, Field Corn, Rape, Sunflower, and on Bird Seed, Onion Sets, and Lawn Grass. All goods **F. O. B. Bristol, Penna.**, or branches by special arrangement. Carriers, such as bags or boxes, at cost, except grass seed bags which are weighed in.

**Please Notice.** Interest will be charged at 6% for accounts overdue.

All orders are taken subject to confirmation by **D. Landreth Seed Company** from our **Bristol, Penna., Office** and are not subject to cancellation.

**OUR SALES** of Seeds are **OUTRIGHT**, and purchasers are asked to observe that we will not agree to the **RETURN OF UNSOLD STOCK**, whole or in part. If goods are shipped according to instructions and according to route and on or about date indicated, our responsibility ceases. All errors to receive attention must be reported within **TEN DAYS** after receipt of Seeds.

All orders placed with us in advance of the harvest are **ALWAYS SUBJECT TO CROP RETURNS**, as no grower can be legally or morally bound to furnish Seeds which the conditions of nature do not perfect. From new customers cash with order or satisfactory references must be furnished.

No written quotation is good for longer than the time specified, and when no time is mentioned the quotation is good only for acceptance by **RETURN MAIL**.

In cases where Seed Orders are mailed by Merchants in response to our quotations by letter, we ask our customers in their letter to us to give the date of our letter to them making such quotation, else there is no guarantee of the prices quoted being given and the Seeds will be billed at current prices which may be higher.

**SEEDS WILL NOT BE TAKEN BACK** under any circumstances, and if shipped us will be **REFUSED** as **NO CREDIT** will be allowed, nor will any rebates be allowed for barrels, bags, boxes, crates or other carriers, **as they are not returnable**. This must be distinctly understood as prices are fixed on this basis.

### WIRE YOUR ORDERS—SUPPLEMENTAL ORDERS ESPECIALLY

We will pay the **telephone** charges on all nearby seed purchases, and **night letter telegram** charges from anyone, however distant, provided the order amounts to over \$10 for fine seeds or over two hundred pounds of Peas, Beans or Sugar Corn.

We depend upon the judgment of the buyer not to use either telephone or telegram if there remains time to send the order by mail.

THESE VARIETIES RETAIL AT 5 AND 10 CENTS EACH

The above varieties are largely Mixtures. Dealers who do not wish the Standard Assortments shown above, may choose their own, but must pay the regular wholesale price per packet as shown in the Price List.

### THREE SALES "LEADERS"

These collections in attractive colored envelopes will draw customers into your store. In every packet is the same amount of good, fresh, well-bred seed as is found in our regular packets at regular prices.

The \$4.00 collection costs the dealer \$1.25; the \$2.00 assortment costs 60c., while the 60c. Zinnia Collection costs 19c. These prices include all shipping charges. If dealer does not want to stock the collections, we can ship direct to his customer, allowing the usual commission.

These collections at this low price cannot be altered; please do not ask us to do so. We know of no other seedsman in the World offering such a value for such a price. Why not try a half-dozen?

### COMPLETE FLOWER GARDENS FOR THE SMALL PROPERTY

These collections contain individual packets of seeds, carefully selected to grow in color harmony with each other on a small property. Each is the latest easy-to-grow strain of its type. The colors are predominantly clean reds, whites, blues, and yellows. Enough seeds of each flower are provided to plant 40-foot rows. Accompanying each packet you will find planting instructions.

These collections cannot be altered. Please do not ask us to do so.

### **Landreths' Zinnias**□

The Landreths, who introduced the *Zinnia* to commercial use more than 100 years ago, feel that their strain is unsurpassed by that of any seedsman. All our seed is California-grown, under the most careful supervision of experts. Our "Bloomsdale Mixtures" are not "grown-as-mixtures" as is often the case, but are made up only of the very best named varieties, which have been grown as separate colors. This assures a much wider color-range than is possible by the common method.

A PORTION OF BLOOMSDALE TRIAL GROUNDS

# Landreths' Case and 1000 Flat Packets of Vegetable Seeds for \$25

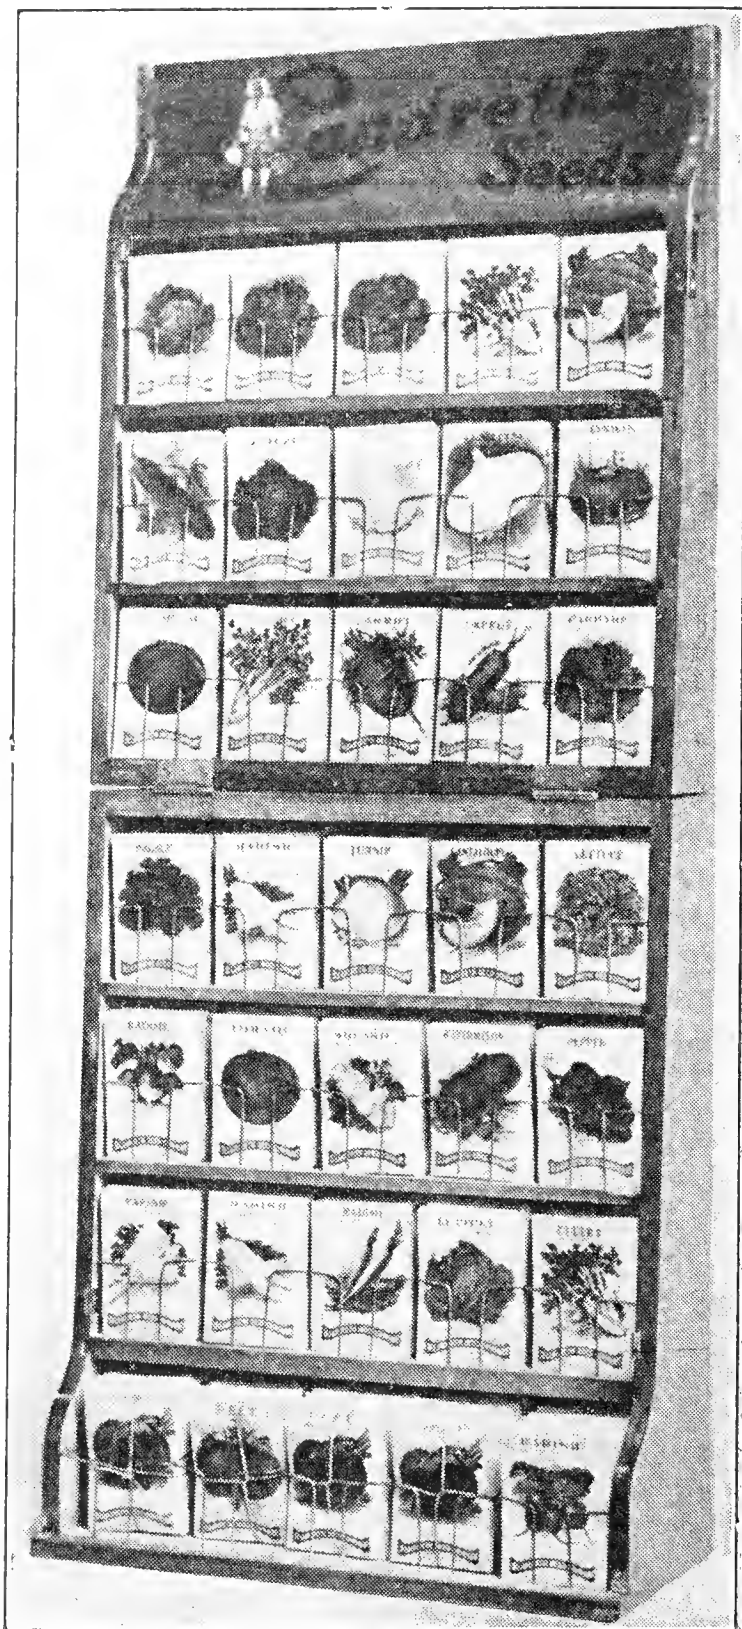

These Packets of Seeds Retail at 5 cents each

No charge for case—It is loaned only

This is a photograph of our Folding Cabinet. It holds 1000 to 1500 Packets. It is 45 inches high, 19 inches wide, 8½ inches deep, having 7 tiers for Packets. These Packets are sold 2½ cents each, \$25 per 1000 Outright sale.

Dealers may order our Standard Vegetable Packet Assortments in units of 100 packets or can choose their own varieties. All Vegetable packets listed in our Wholesale Price List are 2½ cents, except some varieties of Cauliflower, all Certified and Crown Picked Certified Tomato, Certified Pepper, Windsor and Waltham Beauty Pepper which are one-half of the retail price.

The advantage of this Cabinet is that it takes up but little space on the counter and can be folded up when dusting or after the season is over. This Cabinet must do for several years, as another year we will only ship the Packets to the Merchant who has previously received one of these Cabinets this year. We have an attractive tin counter cabinet which holds up to 500 Packets which we supply when that amount or less is ordered.

# VEGETABLE SEEDS

## In Colored Lithographed Flat Packets

We sell our colored lithographed Flat Packets of Vegetable Seeds on the Outright Plan only; at the wholesale price of  $2\frac{1}{2}$  cents each or \$25.00 per thousand. These Seed Packets can be sold at retail at 5 cents each, or \$50.00 per thousand, affording the Merchant a net profit of 100 per cent over his expenditure.

We furnish a fine Seed Display Cabinet free of cost, but this Cabinet is the property of the D. Landreth Seed Company, and should be good for three years or more. (See page 2.)

Peas, Beans and Corn are not sold in flat lithographed packets, but in bulk by the 100 pounds or fraction thereof, or in 1 lb. and  $\frac{1}{2}$  lb. **Square Cardboard Packages with colored lithographed labels.** Fine or small seeds are sold in bulk by the 100 lbs. or fraction thereof or in 1 lb.,  $\frac{1}{2}$  lb., or  $\frac{1}{4}$  lb. sealed cardboard packages with colored lithographed labels. We make an extra charge of 2 cents for 1 lb. packages and 1 cent for  $\frac{1}{2}$  lb. and  $\frac{1}{4}$  lb. packages over bulk rates for Turnip only. Other cartons are free of charge, except Lawn Grass which is 1 cent extra per carton.

All these packages are very convenient to handle, much more convenient than Seeds in bulk, and make a fine showing on the counter or shelves and save time.

### SEEDS WHICH SUCCEED

If this were not so, the business would have drifted away instead of being, as now, in the hands of the **fifth** generation of Landreths, who are doing an increased business each year and who supply Landreths' Seed to the **fifth** generation of customers. Some families have been continuous buyers for over one hundred years; one family for over 140 years. The people buy Landreths' Seeds because of their reliability.

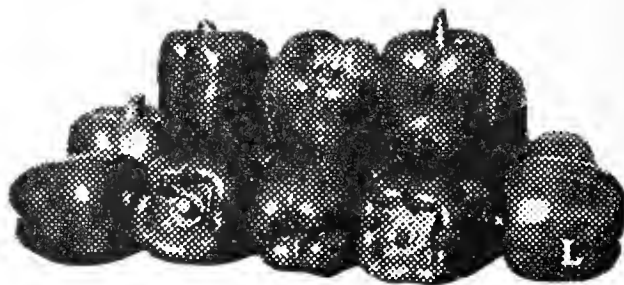

### SUPPLEMENTARY OR FILL-IN ORDERS

Look over your stock of Seeds and find out what varieties you are short and to what extent on each and send us your order. As you run short of Seeds write to us in advance of your needs, but if you want them in a great hurry telegraph a night letter by which you can send 50 words at same price as a 10-word day message. Our Bristol office has Western Union connections.

We will pay the cost of a night message, providing the order is for Ten Dollars (\$10) worth of Fine Seeds or two hundred pounds or over of Peas, Beans or Sugar Corn. We will get off all telegraphic orders the day received.

# Landreths' Certified Pepper Seed

The World's First Certified Pepper and the  
Finest Ever Grown

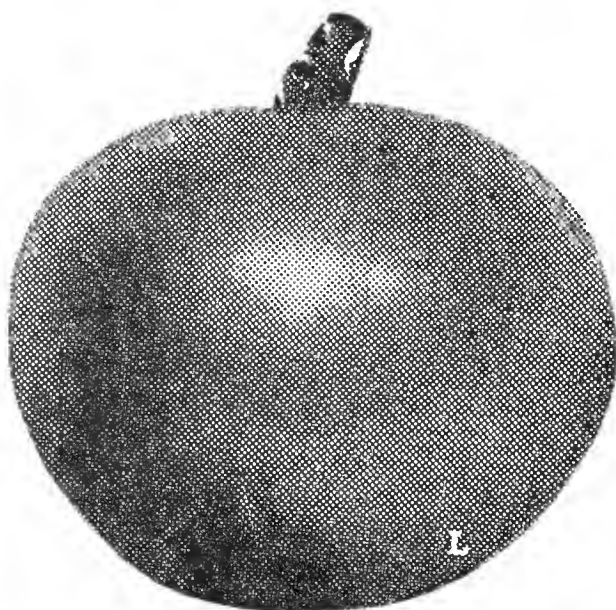

We take pleasure in offering Certified Pepper Seed and are the first Seedsmen in the world to perfect pepper types that the seed could be Certified. All of the seed will be sold in  $\frac{1}{4}$ ,  $\frac{1}{2}$  and 1 pound Cellophane wrapped lithographed boxes which are closed by the seal of the Pennsylvania Department of Agriculture. Certified Pepper Seed is also offered in lithographed packets at 8c each. All of our Certified Pepper Seed is dyed green for identification purposes.

The following varieties are now available.

**California Wonder Florida Giant Ruby King, Black Strain World Beater**

# Landreths' Certified Tomato Seed

Critical buyers demand our Seed which has been Certified by the Pennsylvania Department of Agriculture. It is offered in sealed lithographed boxes and packets of the same sizes as Pepper listed above. Certified and Crown Picked Certified Seed is available in leading varieties as listed inside this Price List.

For complete details of our Certified Seeds, write for our Tomato and Pepper Bulletins which are distributed free.
